Banding together

With the weather finally starting to warm up, we have so many exciting fundraising events this month at Fairhaven. As you will read we have our Ourimbah and Point Clare markets on this month and our Midnight in Paris fundraiser at Cinema Paradiso in November.

Having a large attendance at these fundraising proceedings is a fantastic way for us to raise some extra dollars whilst providing enjoyable entertainment for you and your friends. We hope you can join us.

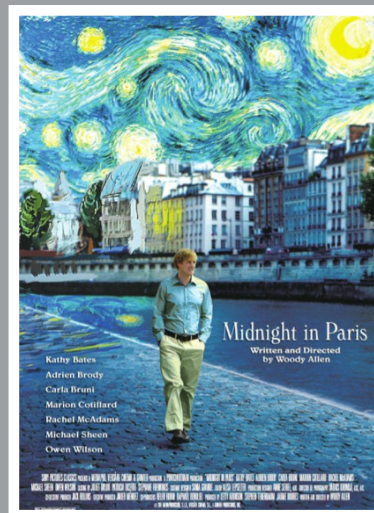

Since we operate exclusively on the Central Coast, we rely solely on the local community to help make up the shortfall between the income we earn and the increasing cost of delivering the important support programs for our stakeholders with disabilities. All contributions, large or small make a huge difference to the lives of people with disabilities for whom we provide on going support.

We are dedicated to providing people with a disability the chance to participate in work, to experience the sense of purpose and camaraderie that a workplace can provide. By supporting us, you are supporting our mission to ensure employment opportunities for local people with disabilities can continue.

Many thanks in advance for your support.

Until next time
Jim Bultjens, CEO Fairhaven Services

Midnight in Paris Fundraiser

Starring Owen Wilson, Rachel McAdams and Kathy Bates, *Midnight in Paris* is a romantic comedy concerning a family travelling to the French capital for business. The party includes a young engaged couple forced to confront the illusion that a life different from their own is better.

Don't miss this opportunity to catch up

with friends over a great movie, nibbles and light refreshment for just \$20.

Join us Thursday November 3 at 6.30pm for drinks with the movie commencing at 7.30pm sharp at the Cinema Paradiso at Ettalong.

Please email Sue Chidgey at sue.chidgey@fairhavenservices.org.au to book tickets.

Two Great Charity Markets

Our exciting markets are on this Saturday, October 22 from 10am to 2pm at Ourimbah Lisarow RSL. The all weather facilities offer a diverse range of products where you can come and find a great array of products for sale!

Want more bargains? Come visit the Point Clare Markets on Saturday October 29, from 9am to 2pm. Take pleasure in the open-air ambience, where you can search for unique items in the sunshine.

Please consider visiting us – you never know what you'll find for a reasonable prize.

Fairhaven needs volunteers – can you help us with a few hours of your time each month?

Fairhaven is always on the lookout for good volunteers. We currently need volunteers to help with our markets, our op shop, fete and gardening. We are grateful for any assistance (even a few hours per month) and would be happy to speak to you about your interests and the volunteer opportunities available.

Just phone Sue on 43233566 or 0407757866.

Can you donate goods or services to Fairhaven?

We are always in need of items that we can use for raffles or to sell in our op shop. We also welcome donations of knitting or craft. If you are a member of a service club we would also appreciate a phone call – would your club consider having Fairhaven as its beneficiary for a particular project?

Sue can come to one of your meetings and explain what services Fairhaven provides for people with disabilities on the Central Coast.

Life's Great!

Our local Winter Heroes!

Photo: Peter Muhlbock.

Peter received an amazing 2nd place in the alpine division 3 and Anthony Jackson who competed in the same event finished with a respectable 5th placing. Carly Chapman competed in the Alpine Division 4 for beginners and brought home a silver medal.

The games are an opportunity for athletes to compete on a provincial stage and represent themselves and their community. While some athletes strive to win medals, others enjoy the chance to get active, have fun, make friends and be part of a family.

Congratulations to all our athletes, we hope to hear more about your fantastic accomplishments and see more Fairhaven athletes on the National and International sporting stage!

On the weekend of August 26-28, Special Olympics Australia hosted the very first National Winter Games. More than 30 athletes and coaches from ACT, NSW, QLD and VIC attended the games at Perisher, which was a huge success.

We are proud to have had three representatives from Fairhaven Services compete at these games. Peter Secomb

from Pacific Co Tuggerah, Anthony Jackson and Carly Chapman from Pacific Co West Gosford were all successful participants at this year's event.
